Three chapters,

So cool

THREE CHAPTERS, ONE STORY

Some people like to go unnoticed, to remain in the shadows. Then, there's me...
La Pettegola

Lover of *curiosity* and *sharing*, of laughter and smiles, of *company* and toasts, in *cool style*.

I fly on the Tuscan coast, with class and lightheartedness. Now, I stop to tell the beauty of my story, divided in three chapters. A sweet story born from fragrant notes of sea breeze that gently pamper the vineyards where I live.

LA PETTEGOLA

La Pettegola

A great personality

A white that embodies the essence of the Tuscan coast. With its bright freshness and lively character, it stimulates curiosity. On the nose, it opens with a bouquet of white fruit, ripe peach and citrus, enriched by notes of hawthorn. The sip is fresh and harmonious. Its casual soul makes it perfect for any occasion.

Perfect...on sunny days!

La Pettegola Limited Edition 2025 by Elisa Seitzinger

An artistic explosion

The look for beauty brought Banfi closer to the world of art, in a partnership that grows stronger every year, thanks to collaborations with internationally renowned artists and designers. Illustration 2025 celebrates The Queen of Gossipers who, with her faithful little bird, reigns over the Tuscan coast, in a magical landscape, illuminated on a full moon night. A work of art that transcends the boundaries of the label, transforming each bottle into a visual tale of extraordinary beauty.
